

2023 NATIONAL POLL WORKER RECRUITMENT DAY

National Poll Worker Recruitment Day, Aug. 23, 2023, is a national day of action established by the [U.S. Election Assistance Commission \(EAC\)](#) to encourage people to help America vote by signing up to be a poll worker. By encouraging more people to become poll workers in their communities, National Poll Worker Recruitment Day is addressing the critical shortage of poll workers, strengthening our democracy, inspiring greater civic engagement and volunteerism, and helping America vote.

About the EAC: The EAC is the only federal agency solely focused on election administration. Our mission is to help election officials improve the administration of elections and help Americans participate in the voting process. National Poll Worker Recruitment Day is one way the EAC is working to fulfill this mission.
